## **A Few Words from Fr. Ted**

### **NEW + CHANGE = HOPE**

New Year's is a kind of strange holiday. Most celebrations are rooted in the past. They mark the birth or death of a famous person, the founding of a nation, or victory in war. Some may honor a group of people for their contributions to society such as Memorial Day or Veterans' Day. They serve as a way of acknowledging what already is. There is no intrinsic reason for a celebration on January 1<sup>st</sup>. No doubt some important people were born on that day just as on any other day of the year. There may have been some important historical events that happened on that day, but they are not the reason for its annual observance. In reality, the day after New Year's will be just like the day before it. New Year's is the only holiday I can think of that is based on something yet to be.

At the beginning of each year, we revel in the hope that the next one will be better. Whether the year just ended had been filled with tragedy and misfortune, or perhaps was an exemplary year when everything seemed to fall in place, we harbor the belief that the new one will be an improvement. It is because hope is sustaining; hope is motivating towards renewed efforts to achieve long-held goals. Hope gives us the courage to continue.

Next year will be a year of change for Christ the King. No matter what happens, it will be different, with different leadership. As I retire from active parochial ministry, new leadership will arrive. Hopefully a priest will be found to not only provide access to the sacraments but to preach, teach, and help you find the future God has planned for CtK. Whether a new priest will merely be a regular Sunday supply person, or a cleric in charge of the parish, new and invigorated lay leadership and participation will be needed. New ways of using the building will need to be found. New ways of supporting the worship program will be required. As inevitably happens with change in personnel, new divisions of duties, roles, and functions will need to be negotiated, either explicitly or through unspoken agreement.

Nearly every parish discovers that the interim between priests is an exciting time filled with new expectations for the life of the community. Lay leadership blossoms as members voluntarily assume tasks for the sake of church. The new year, 2026, should be a year filled with hopefulness, a year when the possibility of new beginnings becomes a perceived reality. Newness and change should foster hope. What, then, does this call for from you? First, Faith. The Letter to the Hebrews says, "Now faith is the assurance of things hoped for, the conviction of things not seen." (Hebrews 11:1) More than that, faith is the knowledge that we are never alone. God is with us and with him all things are possible. As we ring in this New Year, may we do so secure in his presence and with hope for a future worth our celebration with noise makers and paper hats.

Happy New Year!

Fr. Ted +

### **ANNUAL MEETING**

God willing and the weather permitting, the Annual Meeting of Christ the King Episcopal Church will be held on January 18, 2026. We will receive reports from various ministry groups and officers of the parish. There will be an "enhanced" coffee hour after Mass that day followed by the meeting, at which wardens and vestry persons will be elected. Please plan to attend. All members in good standing who are sixteen years of age or older are entitled to participate in and vote at the Annual Meeting. As the parish prepares to enter into a period of transition in leadership, the involvement of everyone is vital.

We should be done with everything no later than 12:00 p.m.

## **MAKE YOUR VOICE HEARD**

January offers two opportunities for those who would like to influence public life in light of their Christian faith. The first, as seen in the announcement below, will offer education on how people of faith can positively influence social change.

### **FAITH IN THE FACE OF FEAR**

JANUARY 8, 2026

#### **INDIANA STATE HOUSE**

Rally (10 —11:30 AM): Free and open to all  
Educational Sessions (1—3:45 PM): Suggested \$25 donation

Many people of faith feel politically invisible as if people of faith all think the same way. Fear and extremism dominate public conversation, while compassion, courage, and dialogue are drowned out.

The second opportunity is the **MONTHLY MULTI-FAITH PRAYER VIGIL** in support of immigrants detained at the Miami Correctional Facility. Due to the winter, it will be held on January 26, 2026, at First Presbyterian Church in Peru, Indiana at 2:00 pm. Information is available at <https://www.inumc.org/events/prayer-vigil-for-the-immigrant-community/>

There have been many times in my life that the saying, “It takes a village” has come to my mind. But, none more than the last month. Poor timing on my part -- but I decided to have my knee replaced right before Thanksgiving, which meant family had to cover Thanksgiving and my church family had to cover Greening of the Church. As usual, I did not write down names, but I can only thank every one of you for staying after the service and pitching in to make it one of the quickest greenings ever. To all of you, thanks for making our church look beautiful and me very happy!

## BOOK CLUB

Book Club will meet on Monday, January 12 to discuss the book *Fourth Wing* by Rebecca Yarros. It's considered a "romantasy," a new genre in literature. Book IQ says, "*Fourth Wing* thrives on its central themes of survival, love, and personal growth. Violet's experiences explore what it means to adapt and thrive in the face of overwhelming odds."

Dixie Harrold will lead the discussion and Linda Beatty will host.  
Feel free to join us – even if you haven't read the book!  
We meet at 7 p.m. in the Parish Hall.
