A Few Words from Your Senior Warden

I am writing this article one day before our 60th Anniversary. In most every way that number seems impossible!

We got married very young, Bill was two weeks shy of 19 and I was two months short of 18. Nobody that knew us thought we would make it a month. (Guess we showed them!) We were married in the church that is now our parking lot -- the day of the Heritage Parade -- and it was very hot, and of course there was no air-conditioning. Following a very quick reception at Bill's parents' home we left town with everything we owned for Utah. It took us a leisurely two weeks to make it to Ogden, with no money and no place to live.

I look back at that day and I can only thank God for being with us. We knew nothing about life and thought we knew it all.

Ever since we returned to Huntington 3 ½ years later, , this church has been a center point of our life. How lucky we have been to have had all of you in our community of friends that feels like family. We wish the same for all of you.

HELP WANTED!

Not one person responded to the call to discuss further outreach and community connections with local churches and organizations and with the University. The Vestry will need to go back to the drawing board.

SURVEY SAID . . . ?

Thanks for your input to our survey. The vast majority are most comfortable with email, so we will continue using that method for our in-house communication.

BOOK CLUB

Book Club will meet on Monday, June 22 to discuss

Every Secret Thing by Laura Lippman. Bookreporter.com says, "*Every Secret Thing* is a psychological suspense novel by Laura Lippman, marking her first stand-alone work after her acclaimed Tess Monaghan series. It's a dark, layered exploration of guilt, innocence, and the lies we tell ourselves to survive.

Julie Harrell will lead the discussion and Dixie Harrold will host.

Feel free to join us – even if you haven't read the book!

We meet at 7 p.m. in the Parish Hall.

CHOIR NEWS

The choir will be singing "Fly Like a Bird" on July 12th. We rehearse most Tuesdays at 4:30 p.m. We always welcome new members!

Many thanks to David Sober and Elizabeth Smith for filling in when I have been out of state.

We had a wonderful birthday celebration in Kansas for my mom, who turned 90, and her big sister, who turned 95. My oldest grandson graduated from high school in Texas and will be attending Indiana Wesleyan University in the fall. Back to Kansas, where 70 of our 124 living classmates celebrated our 50th high school reunion. My middle grandson placed 62nd out of 183 in his class at the World Ninja League World Championships in North Carolina. By the time you read this, I may be on another quick trip to Oklahoma to visit my 97-year-old aunt, and to Kansas for the funeral of my last uncle, who was a month short of his 95th birthday. But this is a midweek trip - no more missed Sundays!

REMEMBER WHEN. . .

This was 2019. We were so lucky to have had hail damage to our roof so that insurance paid for the new shingles. The workers should have gotten combat pay for navigating that steep roof!
